NANDYALA SREENIVASULU

Entry Level Graduate | Software Developer

Mobile: +91 8555879693 **Email:** sreenivasulun2929@gmail.com **LinkedIn:** LinkedIn/in/Sreenivasulu2429 **Location:** Hyderabad

Summary

Motivated and detail-oriented Software Developer with a strong foundation in Java, Web Technologies, and Software Development Life Cycle (SDLC). Experienced in building scalable, efficient, and secure applications with a focus on performance optimization. Adept at working in agile environments, collaborating with cross-functional teams, and implementing best practices in software development.

Education

Bachelor of Technology in Computer Science and Engineering	May 2020 – April 2024
G. Pullaiah College of Engineering and Technology, Kurnool, Andhra Pradesh	Percentage – 80.27%

Board of Intermediate Education	March 2018 – May 2020
Sri Narayana Junior College, Kurnool, Andhra Pradesh	Percentage – 88.25%

Technical Skills

- **Programming Languages:** Java(Core), Object-Oriented Programming (OOP)
- **Web Technologies:** HTML, CSS
- **Development Tools:** Git, GitHub, VS Code
- **Software Development:** Agile Methodology, SDLC, Debugging, Unit Testing
- **Databases:** SQL (Basic)
- **Operating Systems:** Windows

Internships

PHN Technology   April 2023 – June 2023
HTML/CSS Developer

- Spearheaded the development of responsive web designs, improving user engagement through optimized HTML and CSS frameworks.
- Collaborated with cross-functional teams to deliver visually appealing and functional websites, reducing load time by 20% through code optimization.
- Applied best practices in web standards and accessibility, enhancing website performance and ensuring a consistent user experience across devices.
- Contributed to the successful launch of web projects, showcasing proficiency in HTML5, CSS3, and Bootstrap for seamless front-end development.

Projects

Personal Portfolio Website   June 2024 – July 2024

- Developed a personal portfolio website using HTML, CSS, and JavaScript, achieving a responsive design across various devices, ensuring seamless user experience on both desktop and mobile platforms.
- Enhanced website performance by refining code and managing resources, resulting in a reduction in page load time and significantly faster access for users.
- Employed advanced CSS techniques for styling and layout, enhancing visual consistency and site aesthetics, which led to a 25% increase in user retention and satisfaction.

Student Management System   October 2023 – November 2023

- Developed a Java-based Student Management System, enabling seamless student record management, including addition, retrieval, and deletion of student data.
- Implemented robust data handling techniques to ensure accuracy and consistency, improving system reliability and user efficiency.
- Optimized code efficiency, resulting in a 30% improvement in data processing speed and enhancing the overall user experience.

Certifications & Trainings

- Certified in Web Development (HTML, CSS) through an internship at PHN Technologies.
- Completed the "Java Foundations" certification – Oracle (Coursera).
- Successfully cleared the java (Basic) skill assessment – HackerRank.
- Earned the "Introduction to Git and GitHub" certification – Google.
